

QUAKERS YOUTH FOOTBALL/ CHEER-LEADING

2100 Hamelon Street
Lansing, Michigan 48910

Dear Eastern High School Alumni:

We are the Quakers youth football/ cheerleading program, a non-profit organization that helps deprived, at risk urban children serving our community for over 25 years. Our program gives children the opportunity to be part of a team. Most of children from Eastern high school that have gone on to play college football came through the youth program. As well as supporting and working as a feeder program to the Lansing Eastern football and cheer program. Our objectives are:

- helping each child realize their self-worth and potential
- providing a stable environment to learn and play
- keeping children off the streets
- providing structure in their life
- graduating from high school

The cost to participate for each player is \$70.00. This covers uniforms, referees, and insurance. We provide scholarships to those unable to pay. Our teams do not have try-outs. Every child is guaranteed a chance to play and participate. Unfortunately, without the financial support from our community we will not be able to cover the cost of all of the children and their needs

Sincerely Yours,

Janet Gilmore
